

## What I already know

I may have played with toys that move

I may have seen and used split pins

I may have used simple tools

## What I will learn (Sticky Knowledge)

- How I can make parts of a picture move by joining with a split pin
- How to make holes and open a split pin.
- How to make a picture of my design move by using a split pin.

## What I will do

Explore various ways of making a picture move using split pins.

Design my own moving picture and make it

Play with and evaluate my design.

## Expressive Art and Design All Creatures Great and Small Moving Pictures
