

What I already know

I can safely use and explore a variety of materials, tools and techniques experimenting with colour, design, texture, form and function.

I can share my creations explaining the process I have used.

What I will learn (Sticky Knowledge)

- How to sew a running stitch
- How to sew two piece of fabric together.
- How to make 'mock-ups' of my proposed design.
- To make more than one design and choose the one I like the best to make, giving reasons.
- How to attach a range of media and materials using appropriate techniques.

What I will do

Look at photographs of tropical fish and use these to inspire my own fish design

Design and then make my own fish by sewing felt together and decorating it.

Create a habitat for my fish to live in.

Art, Design and Technology – A Drop of Water Design and make a tropical fish and an under the sea scape for it to live in.

Threadfin butterflyfish

Copperband butterflyfish

Royal angelfish

Palette surgeonfish

Ocellaris clownfish

Purple tang

Golden angelfish

Acanthurus leucosternon

Mandarinfish

Clarion angelfish

Lined surgeonfish

Freshwater angelfish

Scribbled angelfish

Clark's anemonefish

Orangespine unicornfish

Clown loach
