

Understanding the World

What I may already know

I have used my senses to explore the natural world

I may be able to name some animals and talk about what groups they belong to eg fish, birds, carnivores

I may be able to name some common materials and talk about what objects are made from

I have begun to explore the differences between the past and now

I know where I live and go to school

I may be able to talk about different countries and their climates

A Drop of Water

What I will learn (Sticky Knowledge)

How the natural world changes as we move between seasons –Winter into Spring

The names of some animals and that we can describe and group them in different ways eg fish, birds, mammals, carnivores, herbivores

That objects are made from different materials and that we can use a variety of words to describe these materials

That Grace Darling lived in the past, in a lighthouse and how her life was different from mine.

That Grace Darling rescued people from a shipwreck.

That there are hot and cold parts of our world and where these are.

That maps tell us about places

Key Vocabulary

Past, Now, Same, Different, Change, timeline, lighthouse, shipwreck, rescue, heroine
