

What I already know

I can describe my local environment. I know about some similarities and differences between this country and other countries.

That the UK is made up of 4 countries and their location on a map of the UK. Information about each country including its capital city and flag.

What I will learn (Sticky Knowledge)

- The names and locations of the 4 seas surrounding the UK.
- The location of hot and cold areas of the world in relation to the Equator and Poles.

We will also

- talk about key physical features including: beach, cliff, coast, forest, hill, mountain, sea, ocean, river, soil, valley, vegetation, seasons and weather
- Talk about key human features including: city, town, village, factory, farm, house, office, port, harbour and shop
- Explore maps of different scales
- Identify seasonal and daily weather patterns.

Geography – All Creatures Great and Small

Know the UK's surrounding seas
Identify hot and cold regions of the world
Provide simple directions to find locations

The foci of this unit are

Locational Place and Knowledge
Human and Physical Geography
Geographical Skills: Enquiry
