

What I already know

I can describe my local environment. I know about some similarities and differences between this country and other countries.

I will have undertaken some map work when looking at our local area.

What I will learn (Sticky Knowledge)

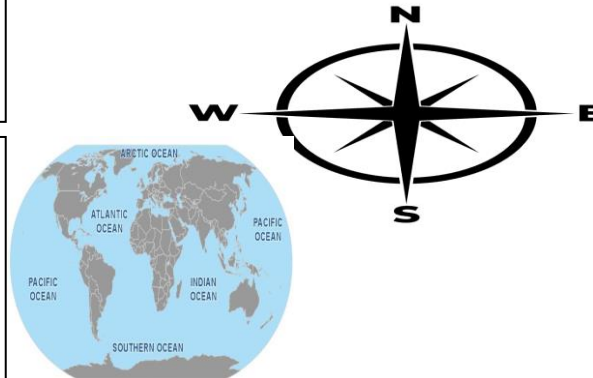

- The name and location of the world's 5 oceans.
- Compass directions and how to use these to describe location and routes.
- About aerial photographs and maps.
- How to create a simple map and use basic symbols in a key.

We will also

- talk about key physical features including: beach, cliff, coast, forest, hill, mountain, sea, ocean, river, soil, valley, vegetation, seasons and weather
- Talk about key human features including: city, town, village, factory, farm, house, office, port, harbour and shop
- Explore maps of different scales
- Identify seasonal and daily weather patterns.

Geography – A Drop of Water

- Name and locate 5 oceans of the world
- Describe features related to the ocean
- Give simple directions – NSEW
- Know about hot and cold regions of the world

The foci of this unit are

Locational Place and Knowledge

Geographical Skills: Fieldwork, Interpretation of Sources, Communicating Information

Key Vocabulary

World
Land
Sea
Pacific Ocean
Atlantic Ocean
Southern Ocean
Arctic Ocean
Indian Ocean
North, South, East, West
Direction
Route
Compass
