If you have an outstanding credit on Parentpay for school meals this will be credited back to your Parentpay Account. This can then be credited back to your bank. On the parent pay home screen, click on the parent account icon (bit like a credit card), scroll to the bottom of the page you will see a withdraw tab, click on this to transfer any credit back to your bank account.

School Meal Prices

Please note in line with LCC guidelines the cost of a school meal will be increasing from £2.70 to £2.90 per day from September. If your child moves into KS2 in September and is NOT a FSM pupil, then unfortunately you will now be charged for school meals.

Meal choices

Meal choices MUST be booked no later than the Friday of the week before to appear on registers. (If your child would like to have school meals in September, please ensure you have made their meal choices no later than the Friday before their return to school.) We recommend where possible for your child's meals to be booked for the half term in advance. This will save you having to remember every week to book. If your child would like to cancel any bookings at any time simply logon to Parentpay and deselect their choices.

If your child would like to have a carton of milk at morning break, please remember to register with our supplier Coolmilk.com over the Summer holidays.
